

Miracles come naturally to God.

WE USUALLY THINK OF THINGS THAT ARE BEYOND OUR COMPREHENSION as supernatural or miraculous, but those things aren't supernatural to God because He operates in the spiritual realm where everything is "natural" to Him. It's like saying there is nothing impossible with God (Luke 1:37). A lot of things God does are beyond our power and grasp of things and what we consider natural, so when they happen we say they are supernatural. But with God nothing is impossible, so nothing is supernatural to Him!

God can do things that are contrary to what we consider His natural laws. When someone gets healed of an incurable disease, for example, we call it a miracle because we're seeing the evidence or manifestation of some of God's laws that link the spiritual and the physical realms—laws that we know little about. To God, on the other hand, it's simple! He knows how to undo whatever damage the disease may have done and thereby creates what to us is a miracle—a supernatural act that is beyond our capabilities.

God is always ready, willing, and able to work miracles on our behalf—miracles of healing, supply, protection, or whatever else we may need when we ask Him to in faith and claim the promises from His Word. We can't work miracles; we can only pray for Him to do it and marvel at His power when He does.
