

Our main job is to help God make people rich spiritually.

PART OF OUR DUTY AS CHRISTIANS is to show the world a social gospel, as well as a personal gospel. Jesus Himself nearly always ministered to people's physical needs before He ministered to their minds and hearts and spiritual needs. By His example of kindness, His example of love and concern for the people, they knew that He had something real.

You can't preach the Gospel to a man with a hungry stomach, but the main thing is to preach the Gospel. Visit the sick and the imprisoned, clothe the naked, and feed the hungry, but don't forget to feed their souls most of all.

God's greatest concern is saving their souls, and then He will save their bodies. The greatest thing we can give them is the key to success, the key to good health, the solution to poverty, and that's faith in God that leads to salvation. If they receive Jesus, then they're God's children. Then *He's* responsible to take care of them, and He will. God never fails to care for His own. He's the key to all their needs.
