

Faith is ...

FAITH IS HEARING THE INAUDIBLE, seeing the invisible, believing the incredible, and receiving the impossible. Faith is often completely contrary to natural expectation and natural reasoning.

Faith is asking for what you need. Faith is creating a vacuum in your heart for God to fill. Faith is not only believing that God can, but that God will. Faith is the opposite of doubt and fear. Faith is not surprised at the answer. Faith expected it to happen.

Faith is tranquil when it's very stormy. Faith isn't bound by circumstances or conditions. When man says, "Tie up in port," faith says, "Launch out into the deep!" Faith is not passive; it acts out what it believes.

Faith is standing your ground when all others desert. Faith is burning your bridges so you can't turn back. Faith is being willing to pay any price. Faith is doing what God tells you to do today and believing Him for tomorrow. Faith is choosing God in spite of all other possibilities. Faith is standing on God's Word, not your feelings. Faith is being willing to die trusting. That's the kind of faith that works miracles!

Faith is like a muscle that grows strong and supple with exercise. Faith is built by faithful study of God's Word (Romans 10:17).
