

**After the darkest night
in world history, we
are going to have the
brightest dawn!**

THE FAST APPROACHING NIGHT IS GOING TO BE THE NIGHTMARE OF THE GREAT TRIBULATION, and the day, the coming of Christ.

Things have got to get worse before they can get better, but in spite of the horrors of the growing darkness of this world, we know that it's all going to work out right in the end. The darkest hour is just before dawn!—And the faster it gets worse, the sooner it's going to get better! So keep looking up!

We have to go through a dark place of trials and tribulations, but then we're going to come out into the sunshine on the other side and all these things will be blotted out like an evil dream! One of these days Jesus is going to stop the world and we're going to get off, away from all this worldly confusion and into the peace and the quiet and the beauty and the love and the wonder of that wonderland beyond in heavenly places with Him! Just a little longer, then dawns His glorious morn!
