

## Be a faithful operator— pray.

**W**HEN GOD PUTS A THOUGHT IN YOUR MIND ABOUT A CERTAIN PERSON, that's a message from Him. He's putting in a phone call to them, and He wants you to act like one of those old-time telephone operators and connect the call.

God initiates the call, and you are like the telephone operator who transfers the call. If you do your part, which is to pray for that person, you can put God through to whomever He's trying to reach. Your faith is the hand that flips the switch that makes the connection so they can receive God's message. You are the link between God and them, so if you fail to pass the call on, they will never get the message.

Of course, the person on the other end of the line has to pick up the phone when it rings, and they have to listen and receive the call. You can't make them answer the phone. That's their responsibility. There are a number of reasons why you, the operator, sometimes can't get through, but you have to keep trying.

You're the operator, and it's your responsibility to pass on the message. So be faithful to pray for the person that comes into your thoughts. Please don't fail, or someone will miss God's important call.
