

God is the only One who can give real meaning to living.

SO MANY PEOPLE TODAY DON'T KNOW WHAT TO BELIEVE. They don't know where they came from, who they are, or where they're going. They're in absolute confusion because they've lost touch with the only concrete frame of reference, and that's God and His plan for their life as explained in the Bible. They've either never had or lost faith in God, so therefore they lose faith in love and life and people—in everything!

But we who have found God's love in Jesus have found a God that cannot fail and a love that lasts forever. We know Him, whom to know is life eternal (John 17:3). We've been born again and now have an entirely new outlook on life. His coming into our lives not only purifies and regenerates our spirits, but also renews our minds, breaking old connections and reflexes and gradually rebuilding and rewiring it into a whole new computer system with new reactions to nearly everything around us.

Besides the wonderful happiness, life, and love that Jesus gives us, we've also found a real purpose in living and Someone to live for. We now find a thrill in our newfound faith, the greatest of satisfaction in our work for Jesus, and pleasure in the fellowship of our spiritual family.
