

## It's wise to be simple!

**M**ANY PEOPLE STRIVE TO GAIN MORE AND MORE KNOWLEDGE, but they'd be wiser if they just stayed simple. Jesus has to get by people's head knowledge to get to their hearts. The Bible warns us to beware of being corrupted from the simplicity that is in Christ (2 Corinthians 11:3), and Jesus Himself said, "Unless you are converted and become as little children, you will by no means enter the kingdom of Heaven" (Matthew 18:3). If we'll recognize that in the Lord's eyes we're just like little children that don't know anything and that He is the only One who knows what He's doing, that's being really smart!

The newborn babe doesn't try to analyze his mother and father and brothers and sisters and the new world and life around him. He just accepts and enjoys them and starts learning how to live and enjoy life. You don't have to personally know all the answers or be able to explain everything; just know Him. He brings you love, He makes your life, and He gives you happiness and all you ever wanted and more. What else matters?

Jesus loves me, this I know.  
For the Bible tells me so.  
Little ones to Him belong,  
We are weak, but He is strong!<sup>1</sup>
