

The Word of God is like a map to help you find your way through life.

WHILE TRAVELING ALONG A ROAD, you can only see what's ahead of you moment by moment. But if you'll look at the map and have faith in it, you can also see where the road came from, regardless of where you started out yourself. And even if you've never been to your final destination or traveled that road before, you can also know where the road ends. But if you don't take time to study the map, you could waste an awful lot of time or ruin your chances of getting to your destination at all.

You should no more try to find your own way through life than you should take a trip without a map. God can see it all. He not only knows where you are right now and where you came from, your present and your past, but He also knows the safest, surest, and most pleasant route to get you where you're going. Consult and follow the "Map Book," the Bible, and you will know too. Just as you must look at the map, believe that it's true, and follow it to get where you're going, if you will read God's Word, believe it, and follow it, you'll come out at Heaven. Absolutely! Without fail!
