

Put God to the test. Prove He exists!

A LOT OF PEOPLE WHO SAY THEY DON'T BELIEVE IN GOD AREN'T REALLY ATHEISTS. Maybe they simply haven't made a final decision because they haven't had a chance to know the truth. But even if they have doubts or questions that need answering before they will be convinced, if they're sincere and really want the answers, if they really want to know, God will show them.

So even if you don't believe in God or the Bible or anything else, you can put God in a test tube and prove He exists—and *you* are the test tube! You just need to put God inside of you and see what happens. If you will sincerely pray, "God, if there *is* a God out there somewhere, show me. Reveal Yourself," He will! Once you admit the possibility by doing that, then you're giving God a chance. There's a tiny spark of faith, and God will honor that faith by letting you see and feel and know the proof. He may not do it immediately or in the way you expect, but sooner or later in some way He will.

God loves faith. He loves us because we believe Him. Once you begin to believe, then God will prove Himself in many ways—by answers to prayers and miracles, and by changes in your life.
